To whom it concerns,

I have been managing our people plus system on behalf of Flooring depot for the past year or so. As a company we are very happy with the product.

Brendon Naidoo is the consultant who helps us with any queries.

I have always found him to be helpful and knowledgeable.

Any issues have be sorted out both efficiently and in full.

I would be very comfortable recommending your company and Brendon especially.

Best regards, Conor Hinkley

Group operations manager
